Getting to know us

**Center for
Neighborhoods**

Center for Neighborhoods

Our Mission

Engaging with neighbors to build great neighborhoods.

Begin With People

Engagement

Education

Planning and Design

Community Development

Build Great Neighborhoods

Collaborative Relationships

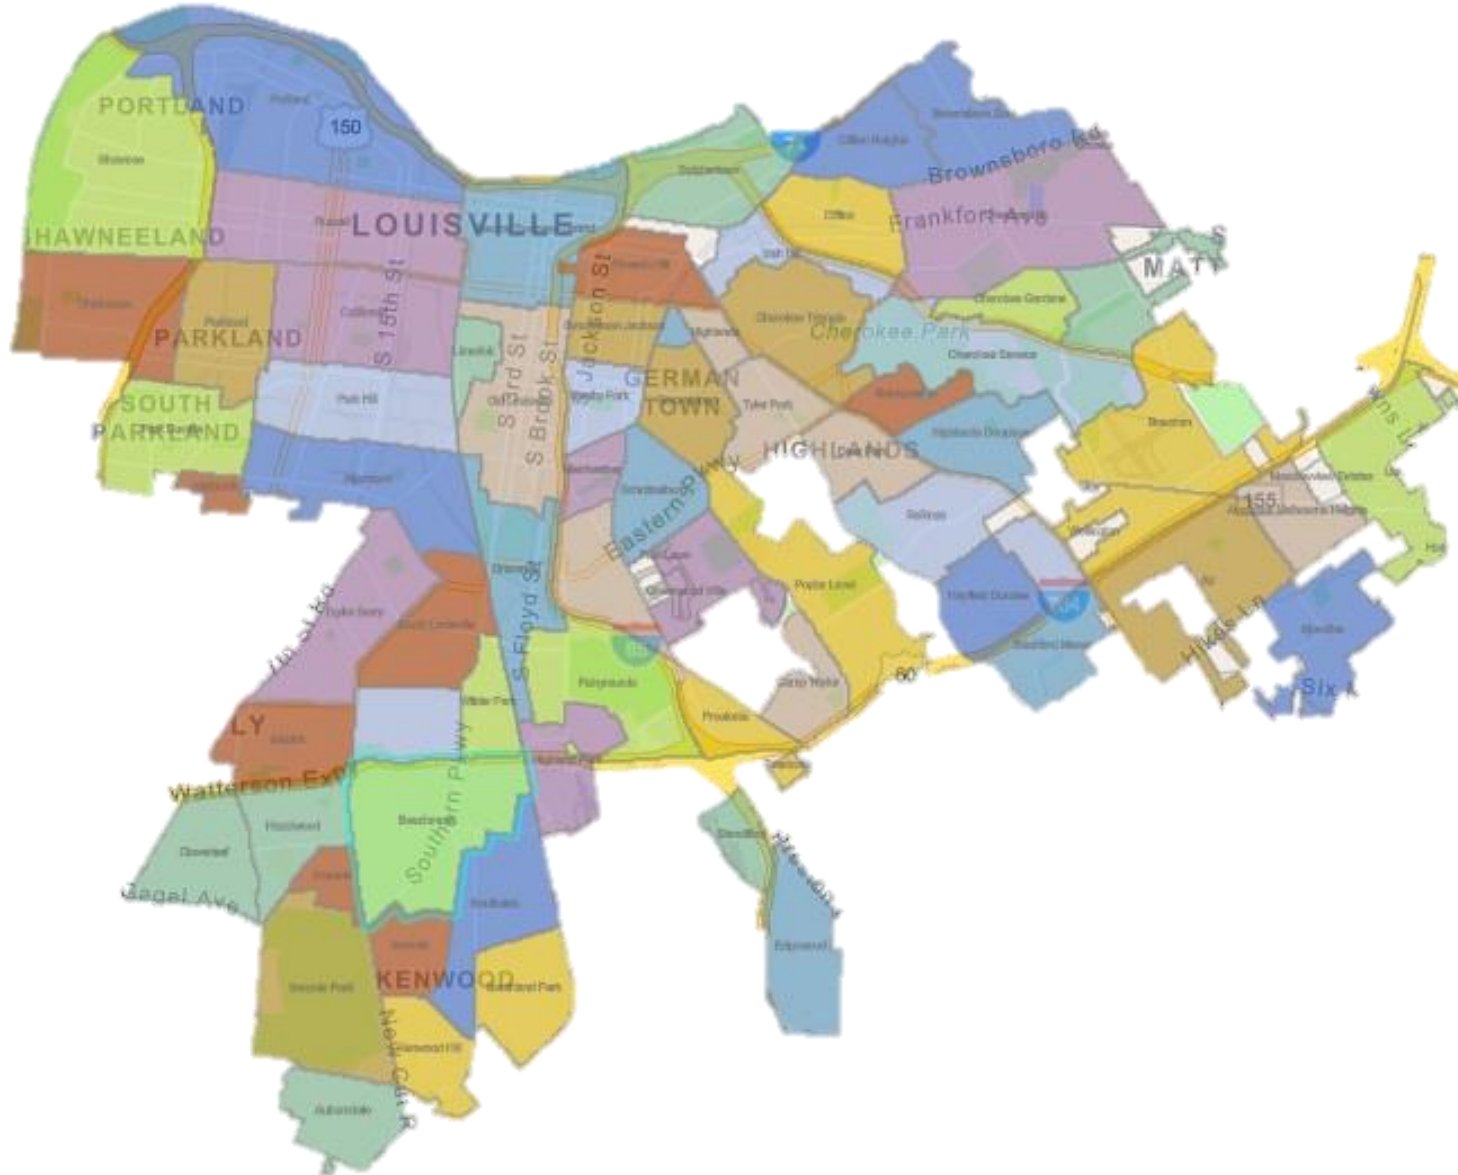

Informed Decision Making

Tangible Impacts

Community Engagement

Neighborhood Liaisons

Neighborhood Outreach

Build relationships with Neighborhood Associations and neighborhood leaders; Present information about programs and project opportunities.

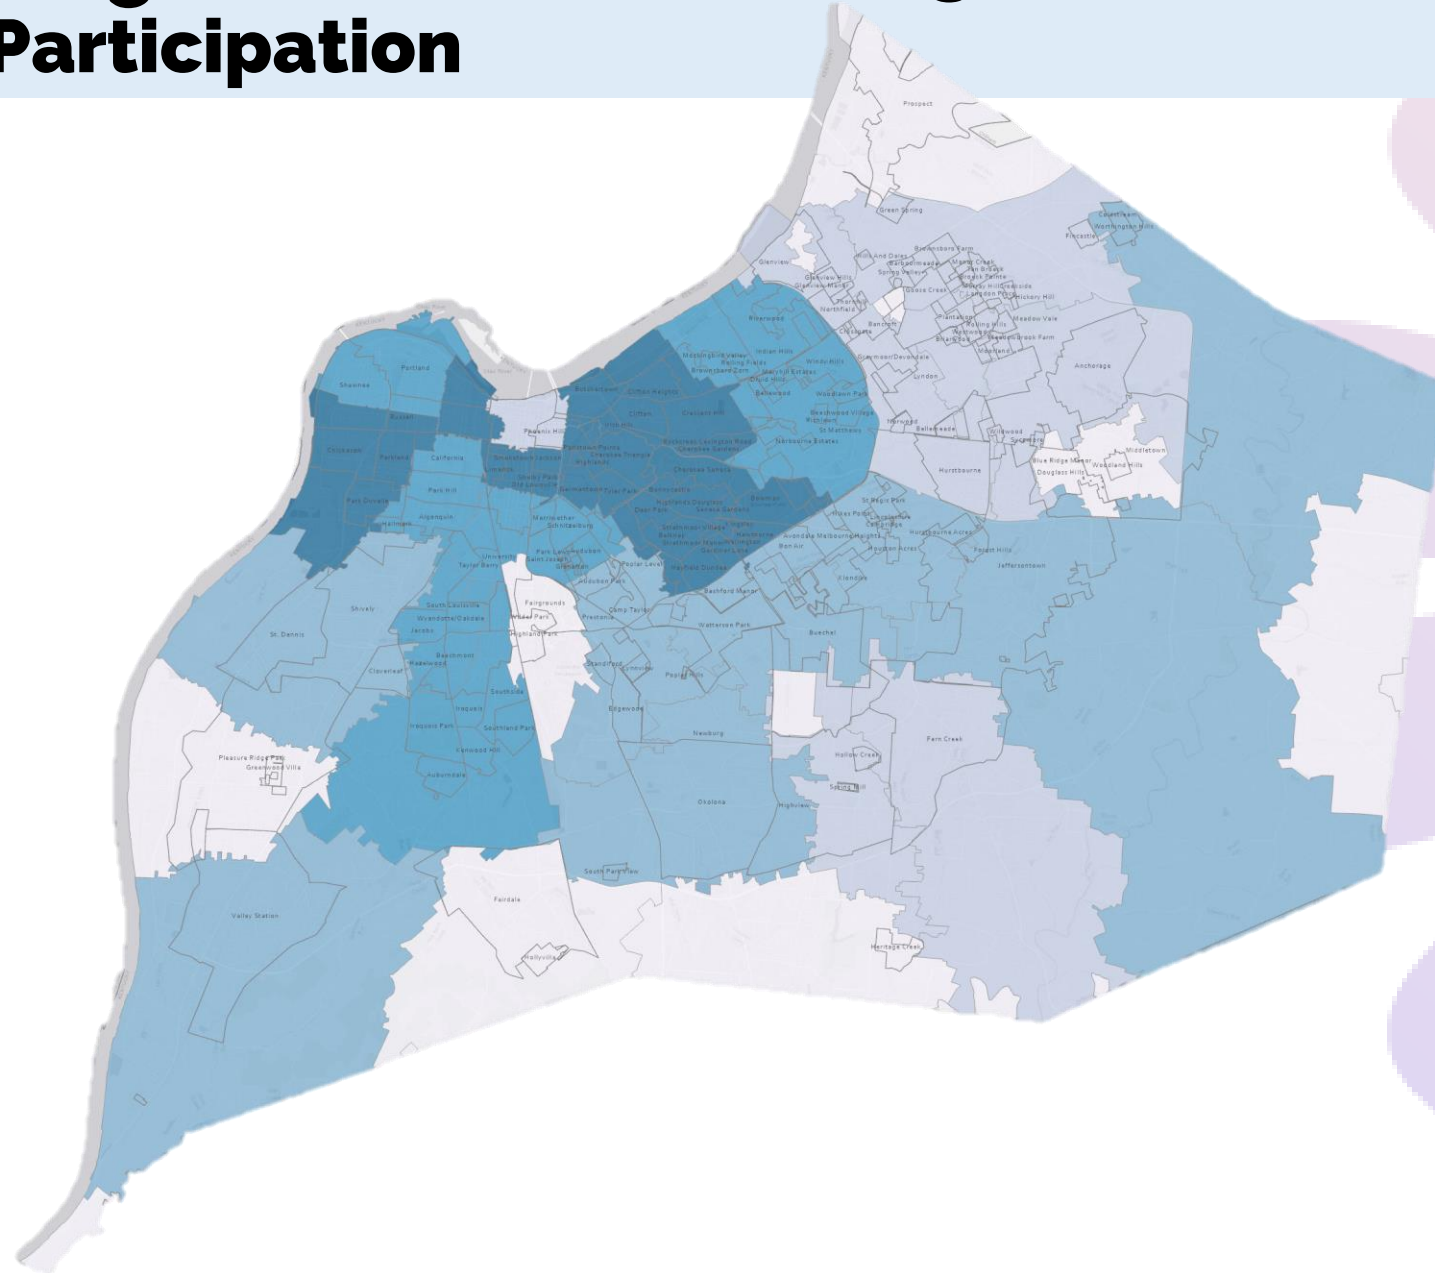

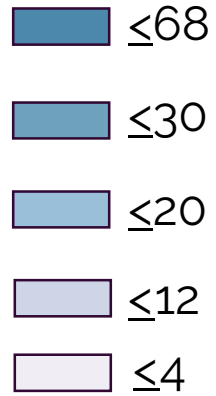

Technical Assistance

Meeting facilitation, project support and problem solving to develop innovative solutions to complex neighborhood issues. Help establish newly organizing associations or strengthen existing ones.

Break

**Center for
Neighborhoods**

Report Back: What do you want to learn? Who are you?

Tell us:

- **Name**
- **Neighborhood**
- **What you want to learn?**
- **One thing you are passionate about in your neighborhood**

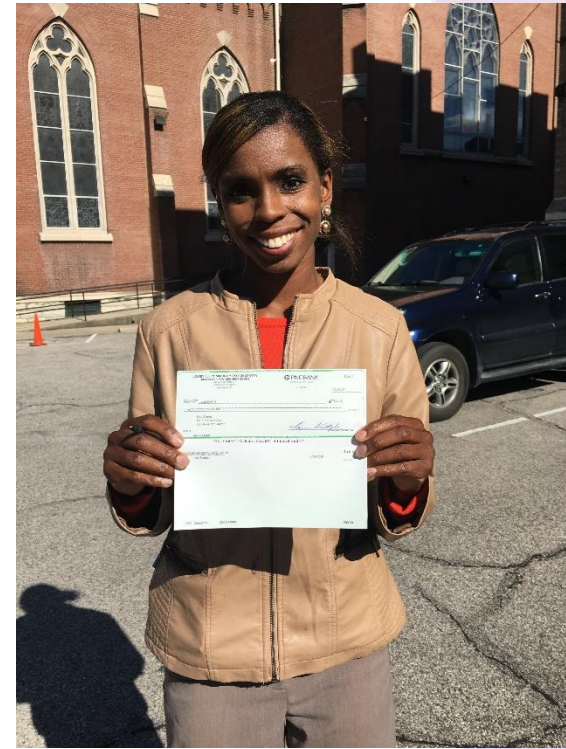

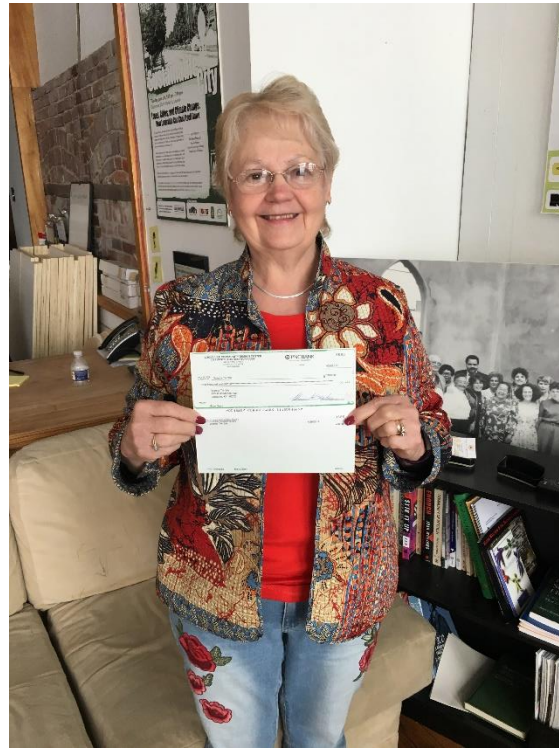

Exercise: What do you want to learn?

- ... About how to be a good local citizen?
- ... About other parts of the city?
- ... About a specific Metro department??
- ... About bringing people in your Neighborhood closer together?

Micro Grant Program

Homework: Three Weekly Challenges

1. Look up your home address on LOJIC (<http://apps.lojic.org/lojiconline>)
2. Share something from “Did You Know...” with a neighbor
3. Ask neighbors, neighborhood association members or HOA members for project ideas
