Fiscal Sponsorship

What is fiscal sponsorship?

Fiscal sponsorship is a formal arrangement in which a 501(c)(3) public charity sponsors a project that may lack exempt status. This alternative to starting your own nonprofit allows you to seek grants and solicit tax-deductible donations under your sponsor's exempt status

Fiscal Sponsorship

How do I find a fiscal sponsor?

Look for nonprofits whose missions are similar to yours. You might start with your current affiliations. Make a list of the professional societies, educational associations and institutions, religious organizations, social and recreational clubs, and other groups with which you are already associated, including employers.

Crowdfunding

Some familiar platforms, some new....

- Kickstarter
- GoFundMe
- IndieGoGo
- IOBY (In Our Back Yard)
- CrowdRise

Anyone know of other platforms/resources?

Barn Raising Overview

Barn Raising Prep

- Description of the outcome of your project
- Remember that list of at least 3 specific things you NEED? Bring it!

Barn Raising

“This is who I am, this is what I’m trying to do, this is what I need help with.”

Barn Raising

- Be as specific as you can about what you need.
- Do not offer anything you are not truly willing and able to give.
- If you can provide what someone else needs, or use what someone has to offer, raise your hand and give your name. Write down each other's information and get together after the formal part of the meeting is over.

Barn Raising

- You will be working with those at your table...or close by
- Everyone gets a turn!
